ELIGIBILITY
FOR
ADULT DRUG COURT

The Adult Drug Court program serves as a sentencing alternative for a very specific population. To qualify, potential participants are pre-screened for the following criteria:

1. **Seriously addicted offender** - crime or violation arises from addiction, or addiction seriously impedes ability to function as a responsible adult.

2. **Non-violent offender** - current violation or offense does not involve death or serious bodily injury, a dangerous weapons offense or a sex crime. Prior offenses of violence, may not involve convictions of AGBH or higher (AWIM, MUR etc). Prior weapons convictions may exclude participation, but are subject to review.

3. **Prison and Jail Bound Offenders** – We target offenders who would otherwise be sentenced to jail or prison with SGL from 0 to 17 to and including 12 to 24. Probation/parole violators are acceptable.

4. **Exclusions**-- First time offenders (low guidelines) should be referred to the prosecutor's office for consideration in their diversion program(s).

5. **Additional programs**---Funding for Buprenorphine Assisted Treatment for opiate addicted offenders has been suspended until further notice.

If an offender should be considered for the Adult Drug Court program given the above criteria, contact any one of the following and request a pre-screening or more information:
